

The Oxford Clinical Neuroimaging Course **Terms and Conditions**

By purchasing this course, you will be granted access to the course materials up until the 31st of October 2025. To be able to purchase the course, you must agree to these terms and conditions which apply for the entire duration of time where you have access to the course materials:

- You agree not to share your login password with anyone else
- You agree not to record or plagiarise any materials from the course, including downloading the materials to view after your access period has expired
- You agree not to share or duplicate materials to make them available to others
- You agree that you will not use any of the MRI data provided for your own research or other projects; these data are provided for the sole purposes of supporting the teaching activities in this course (your learning benefit)
- You agree that you will not share any of the MRI data provided with anyone else

We reserve the right to cancel your access if there is reasonable evidence that you are in breach of these terms and conditions.
